

BANARAS HINDU UNIVERSITY
Technology Commercialization & Facilitation Agency
(Under TREMAP Programme of TIFAC, DST, New Delhi)
SCHOOL OF BIOCHEMICAL ENGINEERING
INSTITUTE OF TECHNOLOGY- BHU
Varanasi-221005 (U.P.)

Letter No: IT/TCFA/11-12/ 252

Dated: 12 May 2012

To
PANDEY&PRADYUMNA
31-C, MOTILAL NEHRU ROAD
ALLAHABAD-211002
Uttar Pradesh
India.

Dear Sir,

This has reference to your patent/application number 1185/DEL/2004

We found your innovation promising. Our hearty congratulations to you for your innovation.

You would be pleased to know that *TIFAC, Department of Science & Technology, Government of India*, helps innovators like you in further refinement of innovation made & commercialization of the same through its flagship programme - *Technology Refinement and Marketing Programme (TREMAM)*.

TREMAM is a unique program which is designed for supporting the country's innovation pool by pushing the innovative technologies from the prototype stage towards a viable commercial product through a network of *Technology Commercialization Facilitators (TCFs)*. The program provides opportunities for an early assessment of innovative technologies by identifying their market potential and provides the required support (marketing, operational and financial support) towards commercialization⁶.

As aforementioned for successful implementation of TREMAP, a network of *Technology Commercialization Facilitators (TCFs)* has been created. Institute of Technology - Banaras Hindu University (IT-BHU) being one of the premier technology institute of the country has been chosen as a Technology Commercialization Facilitator (TCFs) under TREMAP.

Under the programme, we mentor technologist and inventors for further refinement of their innovation and help them commercialize their technology/product by rendering support in the form of conducting Market Survey for your Technology/ Product, preparation of a viable Business Plan and selection of viable Industrial Partner for commercialization of your innovation.

If interested in seeking support under *TREMAM* you would require to contact us though email/telephone or through mail. The contact details of our centre & its Coordinator have been provided below. As *TREMAM* is a *Government of India* programme the services rendered to you would be absolutely free.

Looking forward to hear from you soon.

Best Regards,

(Pradeep Srivastava)
